**Since 2000, AYS has produced the Taste of Tennis at chic hotels and venues nationwide. This exciting event gives tennis fans and foodies alike the opportunity to see the stars and sample sensational culinary delights. Where else can you enjoy food prepared by great chefs like Emeril Legasse, Masaharu Morimoto, and Todd English and “served” by Andre Agassi, Andy Roddick and Lindsay Davenport! Best of all, proceeds from the event benefit various charities.**
